

Professional Vibration Machine LV-1800

Product Description LV-1800:

- Default Programming: Manual, 20 Default Programs, 3 Custom Programs
- Amplitude Range: 0 ~ 10 mm (Non-adjustable); Triangular Oscillating Vibration
- Motor: DC Motor (Continuous: 1/3 hp)
- Frequency Range: 15-27.5 Hz
- Frequency Adjust: 1.8 Hz Increment
- Vibration Energy: Low and High
- Maximum Hours of Continuous Using: 2 Hours
- Maximum Load: 120 kgs
- Product Weight: 57 kgs
- Time Setting: 1-15 Minutes
- Total Machine Dimensions: 790 mm L x 775 mm W x 1260 mm H
- Surface Plate Dimensions: 538 mm L x 466 mm W
- Power Supply: 220 V, 50/60 Hz
- Certification: CE & RoHS and EN957
- Colour: White
